Dorie was such a sweet lady. We remember her coming into Riverport Resterant with her friend for coffee. She was always smiling and had a few words to say. I always had to keep some homemade chili sauce for her each Fall because she loved it. How she will be missed by many.

We at Pharma Plus are going to miss Dorrie very much. She gave us all a hard time when she came in but it was all in fun. I myself have known her since I was just little. She worked for my Dad at Luster for years. I left sunshine as a tribute instead of a candle because she always brought sunshine with her when she came in. She always brightened our days.
