“ *Grandma Dorthy! I always called her the by the name "Grandma", and you know what? She will always be The Best Grandma In The World. My memories of her will forever be cherished and held tight to my heart.*

I loved the way she spoke her mind and called you crazy if that's how she saw you!

As for her cooking, she made the best apple pies and indian soups around, and I managed to get her recipe for her knock out apple pies! I like how she called my husband "Young Man" and how he remembers her as "a nice old lady".

There was this time when she asked me to drive her to the bank. So we get inside the bank and find that the line up was huge! So she said to me, "hold my arm...let's go". She takes me to the front of the line and cuts in front of 15-20 people and says to me "don't look at anyone....I 'm too damn old to be waiting this long anyway.."

No one said a word!

My loving Grandma, my sweet little grandma, you are at peace now, and your loved one's that passed before you will comfort and love you through this lasting journey.

I love you Grandma with all my heart

Your Granddaughter Ruthie
