“ We are very sorry for your loss, Edith was a very kind and loving person, she use to come to Saint James the Apostle church uptown wallaceburg, she had a beautiful voice when she would sing. May God keep his arms wrapped around you all and guide you through the journey that you are on now. God bless.

“ Miss Edith was a very special lady she loved her family. Whenever you meet her she always takes the time to exchange a few words. I always loved the way she made things seem special no matter how trivial it may be to others. Rip until we meet again. Family so very sorry for your loss. Stay strong in your faith in God at this time.

“ I will always remember my aunt, for her love, laughter and the special bond we shared. She was very caring to her sister Greta, my mom. When ever possible her visits to Trinidad, would result in her taking special care of her sister, cooking all her favorite foods and laughing well into the night. I thank God for allowing me the opportunity to have had a caring and special Aunt, whom I would miss dearly. May the peace of God be with us all.

“ So sorry to hear of Edith passing. She was a very nice lady. She used to exercise with me and some other ladies at the seniors centre. Although she was much older than the rest of us, she would still try to do the exercises. Some she couldn't get quite right and we had a lot of laughs.
