“ Never met anyone I felt so instantly comfortable around, as if I'd known him all my life. Though we hadn't been able to get together many times over the years, the times we did hold a special place in my heart. Ed has the greatest sense of humour, and it was nice to talk to someone who appreciated good sarcasm the way I do! 😂 We will miss him dearly. All our love and healing thoughts are with you Sandy. Much love to the kids and their families as well!

“Mr Ed”, as many called him, was both a friend and a father figure to me; but I called him “Steady Eddy!” He always kept his cool when life threw him a curve. St Peter will surely greet him at the pearly gates with a smile and an extended hand as he says “Welcome Steady Eddy you’ve earned a place in Heaven!”

Your friend Mr Bekeen

“ Uncle Ed was always fun to be around. Fond memories. Mom would occasionally talk about how Uncle Ed would refer to her as “That’s my little sister”. Our thoughts, prayers and condolences to all affected. God speed Uncle Eddie. Sincerely, Kevin

Ed, Helen (Burgess then) and I go back to high school days. Perhaps a sign of his nature, Ed was Helen's main dance partner and with good cause. Later, in life, I married Helen and Ed was part of our Wedding entourage. Our lives have been intertwined for all these years. Over the passing years, Ed, Sandi, Helen and I have remained great friends. Our sympathies and our thanks for Ed, go to the Hystead Family
