“ *Sorry for your loss. I visited Ed a few times when he was a patient in the hospital. He passed into eternity a week after Gladys. She spoke well of your family.*

“ I know I speak for my whole family how grateful and blessed we were that Ed was a big part of our parents lives the last few years. Those many Sundays he and my father John spent at the Dresden raceway were so special. Something my Dad looked forward to every week in the summer. He was a constant companion to my parents and a true motivator to keep my Dad moving. I applaud him for helping my sister get my Dad into the pool again. My favorite memory is of him arriving at my parents home with the basket on his scooter full of sweet corn. (My mom's favorite).

Thank you Ed for being such a good friend to my Dad and may you Rest In Peace surrounded by your many friends who have gone before you. Tony, Janice, Brian and Sarah thank you for sharing your Dad/ Grandfather with our family and I wish you peace and comfort during this difficult time. May you find joy in knowing that he truly made a difference in my Dad 's life and now they are together again.

Love from our family to yours
Linda, Larry,Ryan and Danny Adams
