“ Uncle Dick, Alan and Rosemary, Lisa and Ken.

We are so sorry to learn of Aunt Elaine's passing. She was a very special lady and will certainly be missed. She almost seemed like an older sister to me at times. There are so many stories I could tell (adventures at the cottage in Rondeau - my father (Bruce) teasing Alan about the Gillman- , family gatherings, trips to Florida, etc. but the one that stands out in my mind was when we were kids and lived next door. We would often go over to borrow things. I remember her getting so suspicious when Carol went over one day and asked if we could borrow some scotch tape. I broke my glasses playing hockey and had to put them back together. Needless to say, she knew what was up! I will always remember her kindness, her smile and her great sense of humour.

It is too bad she did not find out that she had a great-great-nephew born today.
