“ *Ian and Christine and family... we are very sorry to learn of the passing of your mother, but feel very ready to celebrate her life among us. She was a special person... stylish and unique, but very caring and sincere. She was admired by all in our family and my mother, Marie considered her a close friend.*

Our deepest sympathies to you for the loss of your mom, but also an expression of happiness for having had Eleanor in our lives.

Best wishes,

Marie O'Flynn and family

“ So sorry to hear of your Mom's passing Ian. She was such a lovely lady, larger than life and full of life! Always a warm smile and greeting. I have SO many great memories of time spent at your family home when Mike and I were friends - your Mom always made me feel so welcome. Her jewellery, scarves, hats and more made her a fashion statement wherever she went...so much fun! I am thinking of you and your family and as always, remembering Mike as well. Take care.
