“ *To Bill and Suzanne and families.....
I was so sorry to learn of your loss. I have
some very good memories of some wonderful
"laughs" over the years I shared with Liz at
Texpack and all its subsequent names. We
actually had a reunion last September....25 years after the plant
closed. 104 people attended and Liz was remembered by many of
them as we went "down memory lane".
My thoughts and prayers are with you and yours at this difficult time.
However, I know your warm memories will live on in your hearts in
the years to come.*
