“ Elsie Jean was a favorite cousin and close to my mother Joy Catherine McHugh (née Lamon) who died in 1993. I had lost contact with Elsie Jean and Mike but remember well the Bacchus family reunions on Walpole Island. Elsie and my mother Joy did not like conflict but Elsie Jean was not afraid to speak her mind when called for. I felt her loving nature and big heart and regretted growing up distant to southern Ontario where I lost personal contact as my side of the family died out. Hugs to Connie and Michelle who were of similar age and remember mischief at the large reunions. Elsie did well to live to 93 outliving all her other close relatives. “ Elsie Jean was that teenage neighbour that we all idolized. I remember she had a tattoo I think on her arm that said "For the love of Tom" her boyfriend at the time. Interesting she married Mike. It would have been more appropriate with his name. She was a great neighbour and I'm sure Larry and I made life a little more complicated with our snooping. We will miss her.
