“ You will be so missed by all who have had the pleasure to know you, sad to see you go Eric (I always called you "pops" as you always felt like a special dad to me too). You have taught and loved so many, now it is time to be with your lovely wife for eternity. The creator got a special couple with you both, you are well loved by those left behind. We were blessed to have known you as our friend. Deepest sympathies to all the family of this dear sweet man.
