“ *Sending my condolences Everett was a great great man. I am actually just learning about his passing now. This is very sad, I knew Everett from my early community organizing days in St. James Town and he and I were always laughing together and he was an amazing caregiver to so many and natural leader and friend. Everett where ever you are in the galaxy I know you're having fun. My best to Billy and his family. Rest in Power friend, love Chalo*

“ Billy, I'm so sorry to hear of Everett's passing. Everett is always remembered especially at my organizations Christmas Event each year from when he used to selflessly spend hours getting us donations to make wonderful holidays for so many in our community. Yesterday was our annual Christmas Event and Kevin Moore was there and he told me what happened. I'm very sorry my friend but know Everett will always be in our (and your) heart and will be watching over all of us. I'm sure the pups are missing him greatly too. My sincerest condolences on the loss of Everett. Going back to our days on Coolmine Road, and me a young girl out shoveling snow, and Everett came up to me and kissed me on the cheek, to wish me a Happy New year. He was my first kiss! I also remember him in uniform. Truly a life well lived, and I am sure will be missed by many. A sad day for us all.

Dear Billy and family - our sincere sympathy on Everett's passing - we go back many decades, meeting Everett on Coolmine Road with my girlfriend Gail and her little sister Linda Heggarty. There are many memories of Saturday night dances at the Matador Club and hanging out at Everett's house listening to great rock and roll music. We kept in touch over the years - Everett was always ready to help when a need arose - Cabbagetown will always remember Everett's contribution. A few years ago we walked through the cemetery together in Cabbagetown where Everett was dedicated to restoring cemetery monuments to their original condition. Everett, you are loved and will always be remembered. Lida Noble
