“ *Still hard to imagine your no longer walking this earthly plane but warms my heart knowing your walking alongside everyone in spirit. When we first met, way way back in our early teens..during my hometowns powwow weekend; my friends and I were discussing our then "dream guy" I say with a chuckle...he had to have this feature, that feature etc etc and his name had to be "FABIAN". As I chuckle, thinking back..low and behold we (my group of friends) found you. We connected instantly...we had such a great weekend that you convinced me to go back home with you and your family. I spent the next cpl weeks getting to know you and your family on your home reserve. Boy, we did everything from walk the roadsides, swim in the river, haha even drink at the bar in Wallaceburg!!! Dang, that was crazy. We would cross the river and I was so amazed that U.S.A was that close. You and your family were so close, happy,loving and inviting. I know we recently spoke of what I etched on the bedroom wall!!! Chuckling as I think back as those days were lived in perfect harmony, unselfish happiness and bliss. Thank you for being a part of my life and sharing your heart and family with me, I will cherish those memories for a lifetime to come. I can now replace my sadness with a smile knowing we have one more angel to watch over us. Chi' Mii-Gwetch, your friend Sally.*
