“ Faye, Judy & Families: So saddened to hear of your loss. May all your special, loving memories bring you comfort in the difficult days ahead.

Even though over the years we didn't get together as close family members often do.....but whenever I ran into Floyd out and about town, he was always eager to say Hi, stop, visit and catch up on family news. I'll always remember him as that "laid back" kinda guy with an easy smile.

Rest in Peace Floyd

“ I was so sorry to learn of Floyd's passing and I extend my sincere condolences to each of you. It was always a pleasure to bump into Floyd in the grocery store, the hardware, or, as of late, the doctor's office. We always had a good chat. Floyd was so devoted to you, Judy, and so very proud of his children and grandchildren. There was always a story or two to share about your accomplishments. I know you will miss him deeply and I hope the memories will help you through this very difficult time.

“ So sorry to hear of Floyd’s passing. I spent many summer holidays on the farm with him where we were able to get into lots of trouble, but somehow we always came out unscathed. Floyd taught me how to drive a tractor, milk a cow and climb over an electric fence without getting zapped! I think of Floyd often and it always ends with a smile.
