

Frank Dymock

December 13, 2013

Franklin Charles E. "Frank" Dymock, a resident of Wallaceburg, passed away peacefully with his family by his side on Friday, December 13, 2013 at the age of 82. Frank is the son of the late Robert & Lillian (Goldsmith) Dymock. Beloved husband of Jo-ann (Huddleston). Loving father of Grant (Corrie), Mark (Teresa) and Dan (Robin). Dear grandfather of Frank, Robert, Kristy, Jonathon and the late Michelle and great grandfather of 7 great grandchildren. Frank was a retired linesman with Ontario Hydro, but his real passion was minor hockey and making sure that every kid had a sharp pair of skates to play with. Frank's backyard shop was always open for a visit. The family will receive relatives and friends at the HAYCOCK-CAVANAGH FUNERAL HOME, 409 Nelson Street in Wallaceburg from 2-4 & 7-9 PM on Sunday. The funeral will be celebrated at the funeral home on Monday, December 16 at 11 AM. Interment of cremated remains in Riverview Cemetery at a later date. If desired, remembrances to Wallaceburg Minor Hockey may be left at the funeral home. 519.627.3231. Online tributes may be left at www.CavanaghFuneralHome.ca

“ My condolences to his family and friends. Frank was a great
community person and his volunteerism will not go unforgotten. I
took my grandchildren to see him for their skates all the time.
Shirley and I even dropped off tin can tabs.

“ Some of my favourite memories of Wallaceburg as a child involved
dropping off my skates with my Mother and looking at Frank's vast
collection of pucks. The workshop was always an inviting and
welcoming space. He never charged for sharpening and taping of
sticks were on the house. RIP Frank.

“ Just moving back to southern Ontario and hearing that Frank Dymock was still at it was a pull at the heart strings. Ive told so many people about Frank Dymock (who never took money, taping your new stick with the famous Dymock handle job, etc) around Ontario.

I so regret not taking my son there in time! Our generation was so very lucky to have a Frank Dymock in our childhood memories. Truly a legend in the 'Burg that will never be replaced. He will be missed!

“ *It's hard to imagine that the man that sharpened your skates could possibly leave such a lasting impression, but Frank truly did. He is a true Wallaceburg treasure and will be missed by the entire community.*

You always got more than a free sharpening in Frank's shop, you got educated in the appropriate use of an extended vocabulary, lending a helping hand, and what it meant to give back to a community.

Thank you to the Dymock family for sharing Frank with all of us.

This loss is being felt in Nova Scotia

First got to know Frank in 1972 when the Lakers hockey club was formed and our relationship grew from there. We spent many hours together in the skate shop at the arena and later in the home skate shop. He could never do enough to help any person in need whatever the need. Go glad that the four of us had a great visit last September. His legacy will long be remembered.*

I remember taking our children there to get their skates sharpened and these same "kids" are now close to 30 years old. Frank was always welcoming, polite and interested in what you were doing. If there were local issues he always shared his opinion and I was glad to hear it. It was a pleasure to know him and it was an honour to visit his shop.*

Frank was an amazing influence in my life. The most generous person I have ever met and had the biggest heart when it came to kids and life in general. I have learned so many life lessons from him. He will be sadly missed but he now has dad to keep him company and to make sure that there is always a log on the fire and the coffee pot on.

“ *When my older kids were younger they couldn't wait to go to see Frank so they could exchange their skates for a bigger size or to get their skates sharpened. I loved listening to his stories. He always made you feel like you were one of the family... He will be sadly missed by all. My condolences to the family. ~ Melissa-Jo Emerson-Ovecka & Family*

“ It was always a treat to drive over to Wallaceburg to get skates sharpened and talk a little hockey with Frank. His passing will leave a hole that won't be replaced. My son and I are both thankful for all the visits over the years that we shared with Frank.

“ Frank will leave a very large hole in the Wallaceburg community, not only in the world of ice but just being a genuine person. His missing will be felt for many years to come. Frank was not only a Wonderful Father to his Family, a great Friend to all who knew him, but he also had a big heart and a warm understanding for anyone who wanted to confide in him. I know your generosity of giving of yourself will carry on into the next realm. So long old Friend

“ I do not know any person that was more well respected in W'burg than Frank Dymock. Frank was a giver, not a taker. He has freely sharpened generations of kids skates. Frank was the first to see that a child had a pair of skates even if they could not afford them. After all these years I will miss Frank in his shop, nice wood burning stove, candy dish, coffee and or pop and of course our conversations. Rest in peace my friend. .

My sincere condolences to Frank's family.

“ *As long as I can remember Frank has been sharpening skates - when I was young he sharpened my figure skates and again at open skating, thru the many years my father coached minor hockey and again when my own sons were playing hockey growing up. His huge smile and warm welcome as you entered his shop will be greatly missed.*

“ Wallaceburg has lost one of it's most cherished citizens..... Frank was truly an icon!! He always had a kind word and smile for everyone. If there was a way he could help anyone, he would find a way to do so. He will be missed by so many. Our thoughts and prayers go to his family.

When we moved into our house 12.5 years ago the selling point was having Frank as a neighbour...he told us if we couldn't find our kids to check with him first because they were probably there having a pop and eating chips. It has been a great honour to live next door. Thanks for everything and we'll be sure to keep an eye on Joann for you.

“ Of course, like everyone in this community Frank had the best skate sharpening. I won't say business, more like a cosy little shop with a warm stove and friends stopping by. A lot of the time Frank never took money. Wallaceburg will be at a great loss without him. Rest in Peace my friend.

“ Our family is saddened to lose you and the great stories you shared with us. It is amazing that for 10 years you sharpened the kids skates and treated them as one of your own. I hope you realized how many lives you touched through your unselfish gestures. Your legacy will live on in the values you shared with everyone that passed through your doors. May the heaven be welcoming you with open arms.....and a pair of eternal hockey skates!
