“ I had the opportunity of knowing this man even though I think he knew me before I knew him, He and my Dad were best friends before I was born and I have fond memories of the two of them teasing one another, then at the Residence I saw this man live out his faith as a strong witness to His Heavenly Father, Looking forward to seeing him again and hearing him say welcome young lady

*Fred was a great man and will be missed dearly. He use to help us girls in the kitchen and we really appreciated it. Even when he wasn't feeling his greatest we would tell him to go rest and he would also say not till I have all the silverware on the table. Stubborn man. Lol sometimes if I didn't have the silverware washed fast enough for him he would say hey young lady is that dishwasher broke or just the operator. Then we would laugh.*
