“ I’ll always remember, as a teacher in WDSS, the kindness that he showed to his students - always a true gentleman! Many years later “he was the same great guy” and I was delighted having many good conversations with him since our return to CK in 2006. May he Rest In Peace with our Lord and Saviour. Thoughts and prayers are with the families.

“ *So very sorry to hear of Mr. Maxim's passing. Childhood/school memories last with us forever and Mr. Maxim was definitely a part of that. Mr. Maxim was a part of my high school experience. While French was never my favorite subject his dedication and commitment to his profession was clear. All school systems could use more teachers like him. As a hockey playing enthusiast I was always amazed at his love and passion for hockey and I often wondered "how does a guy that old still play and play well". Well here I am now and I'm sure others think the same of me (apart from the play well part...).*

Our condolences to his family.
