“ I am so very sorry to hear about Gail. It is often hard to find the right words at a time like this. Gail lived and breathed the Wallaceburg Lakers. I have never met anyone so dedicated to a team as Gail Cook. When ever we (Flags) played the Lakers it would always be a joy. I would love her humor and the enthusiasm that she emitted from within her team loyalty. When I was with the Petrolia Jets I would help the Lakers whenever I was needed. It was then that I really noticed her love for her team and all those who supported them. Lots of great memories of Gail and her brother Danny and sons.

Al and Family, may you find peace, comfort and all the love and light you need in the days to come. Love you Gail.
