“ Gail brightened Nokee Kwe with her great sense of play, beautiful laugh, and passion for First Nations culture and injustices. She was a teacher for me, and for that, I will always be grateful. In true Gail style, she initiated a group of us gathering each December and we exchanged surprise gifts by her "choose a number" coordination. Gail had a quiet strength, and a wise, grounded manner. I appreciated her down to earth ways...I could easily be myself with her. Gail always shared her pride and love of her children and grandchildren. It was easy to see how each family member was cherished. Jenna, Vydel and Gordon.. and all the grandchildren,... I am deeply sensitive to the pain you are experiencing with this profound loss. I hope you draw comfort from knowing the joy you have given your Mom and Kookum over the years. I believe her fiercely loving spirit will be with you always. Sincerely thinking of all of you, Laura Ladouceur

“ *I always loved Gail's dry sense of humour and wit. Her smile and energy would light up a room when she walked in. May she be surrounded by the love and white light energy those who love her are sending*

“ We had the privilege of being Gail's neighbors as her house is 2 doors down from us. Gail hosted family celebrations for *EVERYTHING* complete with banners, balloons, flowers and streamers decorating her verandah - always joyful for neighbors and passers by to witness! In the summer months there was also fantastic indigenous drumming that of course provided our end of the block with a special "cool factor" to be proud of together with the benefit of feeling the inspirational sound.

Gail had a peaceful nature unique to her- even her smile and wave from the car was calming. She was a lovely person whose presence will be sincerely missed.

We are sad to hear of Gail's passing. Our condolences to Jenna, Vydel ,Gordon and families.
