“ *I will always remember Garry as the older cousin who never made his younger cousins feel 'young'. He always talked to us like we were mature and he treated us with respect. He had a great sense of humour and I always enjoyed visiting the farm when he was around. Our prayers are with your family.*

“ *My sincerest condolences to Elaine , Nate and family. I am so thankful I got to know Garry. I was talking with him the other day and as always he was bragging about Tessa and his family. He was a great coach and a wonderful mentor. He certainly made a difference but never took any credit. He will be missed.*
