“ Dearest Lee and Family,
As you know Dad is in hospital otherwise he would have jumped on the first plane and been at the funeral on Wednesday. He was quite sad to hear (as we all were) about Gary's passing. The day of the funeral he kept asking about all of you and telling stories about Gary. He would cry and laugh at the same time. On Thursday he kept asking if I had spoken to Eileen yet so I finally said around 8pm let's call her and see if she's arrived home. Eileen talked to us and I think he felt better. More tears though. After we hung up he said - there are a lot of good people back there!!! <3
Lots of hugs and kisses. Sharri Ann, Norval and the gang. xoxo

“ We are extremely sad to hear the passing of Gary..My son Kaden loved going to visit with Gary and Lee.. He especially liked doing wood working and cutting grass with Mr. Gibbons.. He's not quite understanding that Gary is up in Heaven now.. Kaden has many cherished memories with Gary and lots of wood working things here to hold on to and remember him by.. May God give you the strength Lee during this difficult time.. thoughts and prayers are with you and we are always thinking of you.. Love the Dixon family xoxo

“ I remember Mr. Gibbons encouraging me and allowing me to use his woodworking equipment in the basement when I was in high school. He always also, amazed me with his knowledge of all the roads in Ontario and the USA. If I need a map, I just asked him directions. He was my GPS back in the 1980's-90's!
