“ Condolences to the Klompstra family. I have fond memories of George while he was a worker for Sombra Welding/Besomar. I was their secretary/bookkeeper for many years and George always had a smile and he was one of the kindest and most respectful person that I have met. Jeanette Johnston

“ *To Meintje, George's family, his brothers & sister....and his many relatives. My sincere condolences to all. As we all have gone our own way through the years, I often reflect on those many days we (two families) walked the river road to school in Sombra, and spent our leisure days hanging out along the St. Clair. The river is a bond. The memories persist. Lars Bouman*

*So very sorry to hear about George.
My deepest condolences to the Family and his Dear Mom.
George was an accomplished wood worker and carpenter. Always with a smile and idea how to put his work into motion. George did some very nice wood work in my house....I often have thought of him when holding the railing he made. He also had such an attachment to his former horse, Royal. What a beautiful horse he was.
With so many happy memories of you George, I am glad to have had you as a school friend many years ago and as a friend in my later life.
