

Dr. George Vaughan

June 6, 2025

Dr. George Ernest Ryan Vaughan of Chatham and formerly of Wallaceburg passed away peacefully with family by his side in Chatham on June 6, 2025 at the age of 88. George was the son of the late Ernest Edmunds & Thelma (Carvalho) Vaughan. Beloved husband of Una Wilson and the late Veronica (Clough) Vaughan. Loving father of Rupert (Sherry Knutson), Helen Vaughan and Vanessa Vaughan (Julian Doan). Dear grandfather of Xavier, Dominic, Alexandra Ceden and Antonio Ceden. Born in India and weaned on spice, George never lost his love for fiery hot curries. A rugby player as a youth, George won admission to the prestigious medical school at Trinity College at Cambridge University. During his surgical residency, while driving his Austin Healey convertible, he picked up a tall, beautiful woman off the street who would later become his wife Veronica. Shortly after, they emigrated to Canada, had three children and eventually settled in Wallaceburg, realizing George's dream of practicing as a country surgeon. He relished his time at Sydenham District Hospital, fought for years to keep it open and was heartbroken to see it closed. George taught his son Rupert how to drive cars and pilot boats at age 13 so he could enjoy his burgeoning wine collection safely. That wine collection was broken into a few times by Helen and her friends but rather than scolding her for drinking, he instead asked her not to choose the most expensive wine next time. By the time Vanessa was interested in the wine collection, she had already learned where the hidden key was and George was none the wiser. George was a committed husband,

who after his wife was diagnosed with M.S., continued to stand by her and ensure their lives were filled with travel and enjoyment with dignity and love. After Veronica passed away in 2010, George slowed his practice down and revisited his childhood hobbies of golf and reading, eventually fully retiring in 2015. As a curious gentleman, he embarked on several cruises throughout the world and enjoyed theatre, fine art and cultural excursions until the pandemic in 2020. During the pandemic, George suffered a heart attack and miraculously survived triple bypass surgery, giving him a new lease on life. In 2023 he met Una and fell in love. The two married in August of 2024 and were extremely happy. George and Una complimented one another with their high fashion looks. They were regular fixtures on the dance floor of the Erieau Yacht Club. Una and George were able to travel to Panama and throughout the Caribbean together. George sparked a love of cars in Una and convinced her to drive him everywhere so he could continue to enjoy his now overflowing wine collection. Some of those trips were long drives to Chicago to visit his son and explore the cultural and epicurean scene there. Over the past 6 months George finally began to show his age and with the help of Una, smoothly transitioned to simpler, quieter things. Family and Friends are invited for visitation at the Haycock-Cavanagh Funeral Home, 409 Nelson Street in Wallaceburg on Tuesday, June 17 from 11 am – 12:45 pm. A Funeral Mass of the Resurrection at Our Lady Help of Christians Church will follow at 1 PM. Interment in Riverview Cemetery. If desired, donations to the Multiple Sclerosis Society of Canada may be left at the funeral home 519.627.3231. Cherished stories and tributes may be left for the family at www.CavanaghFuneralHome.ca

“ *The death of my brother George has devastated me. The end of an era. Jim as the family called him was the man of the family from the age of seven. While our father was a prisoner of war.*

He was a man of many talents, a wonderful student and a good sportsman. At prep school he won the victor ludorem several times. He was a brilliant surgeon and a true friend. Someone who was always ready to put others first. A small family but a loving one. A bientôt Jim.

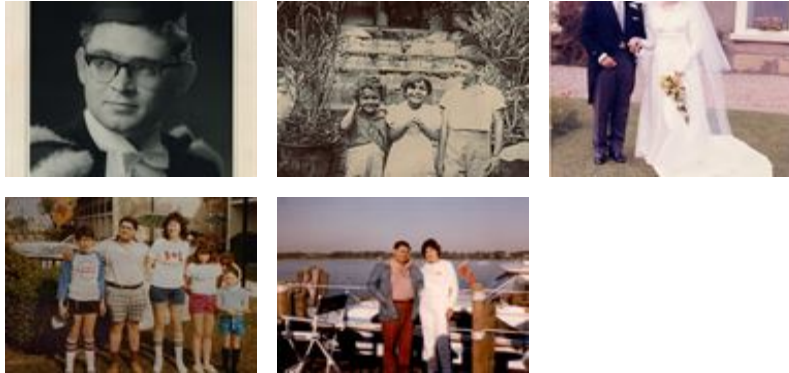

Love

“ Dear Una, Rupert, Helen and Vanessa,
I am so sorry to hear of Dr. Vaughan's passing. I worked with him in ambulatory care at SDH for many years. He was a very compassionate doctor. I am sure you all of heard many wonderful stories of his kindness and dedication to his patients but I would like share just one more. It was late Thursday when we got the results back on an excision we had done on Mrs.B. It was cancer. He was booked solid on the Friday. But he did not want to wait till Monday to tell her. Mrs. B. was so worried and she wanted to know the results. He stayed late that day as he did so many times to see her. His compassion was very true. That is the guy of man and doctor he was. May all these wonderful memories help heal the pain of loosing him. He and Dr. Veronica were such a huge part of SDH and the community.
Sincerely
Tracy Henry

“ Drs.George and Veronica Vaughan came to Wallaceburg and quickly became pillars of our community, treating their patients with skill and care, supporting and defending our hospital,and becoming strong and supportive friends to so many of us. We were so lucky to have them. We are sorry to hear of George's passing and offer our sympathies to his widow,Una,and his children and grandchildren. May he rest in peace knowing that he made a positive difference in the lives of all who knew him.

“ Sending deepest sympathies to Dr Vaughns family and friends. Working with him at Sydenham he was always kind and pleasant with the staff and did like to joke and have a few laughs as well. We thankyou for all you've done to help our hospital in your years of service and I'm your retirement. Rest easy Dr Vaughn.

“ I have known George and Veronica since about 85 when I was with maintenance at the hospital. I repaired many things for them at their home over the years. He always struck me as the perfect English gentleman. Many things I did for him, I know he could have done, but as he told me, he did not want to risk his hands. He felt a large responsibility to this town. I chided him about retirement and he said he couldn't because getting another surgeon to town was not happening. A very minor surgery he did for me he referred to as the Friday afternoon special. Cause by Monday you could go back to work. I miss Veronica and I will miss him. I'm sadden to of seen them both leave.

“ *My condolences to the Vaughn family and friends. In my childhood in Wallaceburg, we would often visit Rupert, Helen or Vanessa and the family home and George and Veronica were always welcoming and provided great hospitality. In recent years, I also had the opportunity to play several rounds of golf with Dr. Vaughn and he was a true gentleman and sportsman. We will miss him out on the course.*

It takes a strong person to be a surgeon in a small town - not many can understand what dedication and sacrifice that took - not to mention - thick skin - thank you for sticking around Wallaceburg for so many years - when the line was short to do so - our family always appreciated the fact that you were around if and when needed - rest in peace

“ My sincere condolences to Una and the Vaughan family. I first met Dr. Vaughan when I moved to Chatham Kent in 2004 as a young family doctor. He was always kind and very helpful with any requested consultation. It was an absolute pleasure to reconnect with him recently through his marriage to Una. His service and dedication to the community was greatly appreciated. My thoughts and prayers to all of his loved ones.

“ I am very thankful for him he took out my hot appendix. My doctor had sent me to the er to see him and he started me on antibiotics and told me he would be back at 7 pm as he had to go and feed his wife. He came back on time and did my surgery the appendix broke after he took it out. He made sure that everything was good inside before he closed me. I will always be eternally grateful. Prayers to all his family and friends. You are truly an angel.

“ I first met Dr. George, Dr. Veronica, Rupert, Helen and Vanessa when they first moved to town and was their babysitter until the kids were independent. In fact they were my first client and a delight to work for. Our community was blessed to have the privilege of both doctors service our hospital. They made a mark on the community and now with their passings, a hole. My condolences to Una, Rupert, Helen, Vanessa and families.

“*I met Dr. George Vaughan in 2010, when he and his children were grappling with the painful loss of their dear mother, Victoria. Despite the heaviness of their grief, George's warmth shone through. As his obituary noted, he was a devoted father and someone who truly enjoyed life. He even shared stories about his wine collection, reminding us all of the little joys we can still celebrate.*

My heartfelt condolences go out to Una and his children—Rupert, Helen, and my dear friend Vanessa. May the beautiful memories of George and Victoria wrap around them like a comforting embrace in these tough times.
