“ *Dear Georgina’s Family,*

*My mom Cecilia and I would like to extend our sincere condolences to the family. Many years ago my mom, who is now 84, met Georgina from playing a computer game called Double U. Even though we’ve all never met in person, my mom and Georgina exchanged Christmas and birthday cards every year. They would chat on messenger every day. Georgina would always comment on our posts and we’d have nice conversations. I know my mom misses her morning chats with Georgina. Georgina, thank you for being a friend to my mom, may God bless you and rest in peace.
Love Elaina and Cecilia*

“ HEARTBROKEN.....no way to sugar coat the rawness and heartbreak this past week has brought to me and my family in losing my father in-law then being shaken to the core with a numbing phonecall that the glue and rock of the Druer family had been rushed to the hospital and that all that we could do was say our goodbyes :(How do you say goodbye to someone when there were still so many hey what ya doing,, or ru busy? r u home? texts we always exchanged.Georgie you were more than a sister.... you and your big sister Wendy raised me and spoiled me and still spoil me today I guess thats the benefit of being the baby of the family.Sadly the reality of being the baby has set in once again as I prepare to say goodbye to yet another sister...realizing that if life naturally plays out I will be the last one of the second street Druer clan and that , THAT SUCKS. I wanna grab the 2025 calender and just crumple it up and go back to 2024 and all the celebrations and get togethers we shared.From a gender reveal and the excitement of a my first grandchild who Georgie said rather enthusiastically "ill bet u some perch its a boy " to a family get together for a baby shower at my house.There was a bridal shower in Dresden,the birth of our grandson who Georgie held and cherished that I was a papa finally.We celebrated Larrys 75th birthday at my house with a perch fish fry then a big bbq for Larry at the VanDolder homestead the site of so many get togethers and memories.The wedding celebration in September of my son the 50th bday party for our neice Becky. Georgies 70th birthday and finally our last get together new years eve at the black goose where Larry Georgina Wendy Becky Lori and myself enjoyed our favorite meal of Perch roast beef and Georgies favorite chicken scallopini...(Georgie was spoiled by mark shes the only person I know who could take food home from a buffet lolllol...but the greatest celebration of 2024 was Larry and Georginas 50th anniversary a day many thought would never come but Larry you are a fighter and Georgies soulmate and Love of her Life.So yeah 2025 Go Away!! I wanna go back to 2024,,,,,,I dont want Saturday to ever come but it will and we will gather as a family Davyducks-VanDolders-Druers and say goodbye to our beloved rock and glue that held us all together. A wife/ mom/ grandma/

greatgrandma/ aunt/friend to many and my big sister Georgina. Our hearts are broken our lives shattered and a huge hole ripped into our hearts and lives. They say time heals but thats a cold brutal lie it doesntwhat heals will be waking up Sunday and remembering Georgina for the gift she was and for the life she left and the legacy she gave us... so yeah im heartbroken and selfish I want a rewind I want 2024 and the year it was and the memories we shared.. so goodbye my sister and friend I am thankful for the 60 years you were in my life and I am and always will be your baby brother LOVE U forever and a day Willy
