“ I remember the many joyous times my uncle Ozzie and aunt Geri would visit our home in Michigan. At Christmas when I was a little girl, I was told to go to my room and look for Santa in the sky. Uncle Ozzie would play Santa outside (stomping his feet and saying, "HO HO HO", while my parents and aunt Geri would gather the presents and place them under the tree.

Aunt Geri made the most delicious pies. She was a very sweet, kind, and gentle soul.

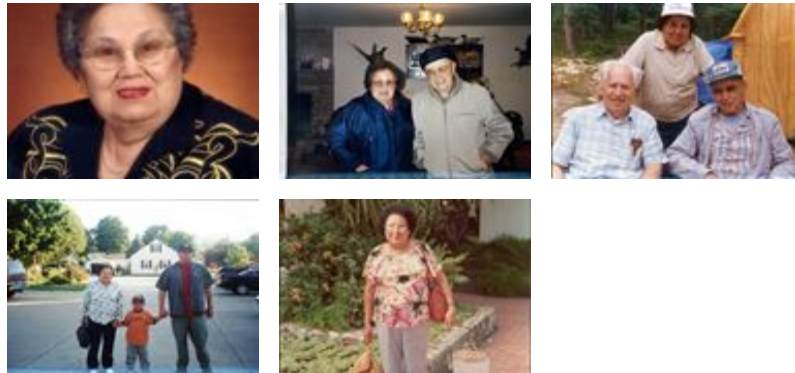

Will miss her and her sweet smile. May she rest in peace.

“ So many memories of the times we shared. From doing her perms and colors at home to taking her flea market shopping then always taking her to the restaurant of her choice. Nic and I are surely going to miss her and feel a big hole in our hearts for a long time.
