“ Once again Wallaceburg has lost one of their business leaders. I'm proud to say that Gord and I had been friends for about 40 years. Gord came to Town from Leamington to take over the Wallaceburg Automotive store. His family moved into a great place on Napier Street right next to our friends, Colleen and Dunc. From the day they moved in, the 'litany of laughs' began. Gord could always make me laugh with his great stories, quick wit and wonderful sense of humour. I remember boat trips and backyard barbeques that could never be repeated (and probably shouldn't be.)

Gord expanded his automotive business to Chatham, Thamesville and Dresden with the help of his wonderful wife Molly, and David, his son and right hand man, as well as David's wife, Jean. This family showed us all how to be entrepreneurs. Molly passed away a few years back, and you could tell it had a huge impact on Gord. But as they say, life and business have to go on and now, under the direction of Dave and Jean, the business has expanded further into Sarnia and back to Leamington, bringing it full circle.

If you're wondering what Gord did in his 'retirement', the truth is he never fully retired. He was in fact working in the store last week according to what I've been told. That's really beyond dedication - to what can best be described as a 'calling'. Gord, I am so proud to call you my friend. Cheryl and I send our prayers and sympathy to the entire family.

“ *Dave & Jean, My sincere condolences, I will miss the chats with Gord when he went to visit Molly & I was visiting Norm. We shared some good Windsor memories and of course a lot of "Go Blue" discussion took place. He was a great guy and will be missed very much, I feel priviledged to have known him.*
