“ Sharon, Omas, Carson & I are missing you Wayne. The house seems so empty. You are no longer suffering and in pain. You loved to dance and you could really bust a move. Dance up in the sky
xoxo RIP

“ When I was a little kid ,my big brother, Wayne would take me fishing. The Credit river was in our yard so there was plenty of fishing "expeditions". I couldn't do the worm on the hook! When he would babysit for our parents (he was the eldest) I would try to sneak cookies for me and my friends. He would catch me most times!
