“ I am so sorry to hear of Gordon's passing, Grant's brother Keith and I took guitar lessons together with Gordon and had so much fun learning with our teacher Bill. Gordon was the only one who stuck with the guitar playing in public. Mine is still under my bed. May God bless your family with peace and happy memories. Margaret

“ I had the pleasure last year, of spending an afternoon with Gordon at the Selkirk History Faire, where he couldn't pull himself away from my horses that were with me. He told me lots of fascinating stories about his horsemanship in the "good old days", about racing and riding. I very much enjoyed his company. My sincerest coldolences to the family. He was such a nice man.

“ *Marjorie and Family*

I was so sorry to hear of Gord's passing. I will always remember him for his great talks about my grandparents. First time I ever met him he was playing guitar at the nursing home for the residents, he enjoyed doing that and they loved listening. My thoughts are with the family at this difficult time.

Sincerely

“ I am going to miss making music with Gordo as I called him. He was my biggest fan and often referred to himself as my promoter. I am so thankful I knew him, he really brought me out of my shell musically when he would ask me to play and sing for him when he was in hospital and I as his nurse could not refuse his beautiful smile. We sure had some parties in his tiny hospital room. We developed an instant connection that I cherished. I will never forget you Gordo! Xo
