“ *My special friend. We had long memories of CGIT camp and she stayed my friend through all these years.
We had a wonderful visit in December
I am so sorry I did not know of her passing and would certainly have been there to honour her.
Heaven has been the winner with this great lady entering the gates.

“ So many great memories of Grace and her violin. Fifty years ago as a child I remember the New Year's Celebrations with Grace leading the 'choir'. I'm certain she has taken her place in the heavenly orchestra and there will be many stories to tell when I get there.

“ I will always remember Grace, not only for her love of music, but also her sense of humour. I celebrate that she is now with her Saviour and Lord, and, of course, with Ralph.

God has blessed us richly for having known her.

“ Grace was at celebrations through most of my life. After my wedding there was such celebrating at the local country motel that some motel guest not one of ours was heard to say 'They should have shot that fiddler at dawn!'.
Grace was a lot of fun. I still remember a silly joke she told and the sound of her voice as she told it. She sent a letter to my Dad, I think as a 'get well' after his heart surgery, that was several pages of jokes. They did not write to each other aside from that, so that was her making a special effort to cheer things up.

“ Grace and Ralph hold many dear memories in our hearts. I remember many wonderful times with Grace at the piano teaching us songs when we were children. She and Ralph always made time to visit my Mom and Dad.

One visit, shortly after my Dad passed, she told me to never worry about my Mom because my Mom "was all prayed up." Grace, we love you and you will always be with us. love, Denise (Dorow) and Don Schultz
