“ *My condolences to Morgan Williams and family, and the family of the late Gretta Williams.*

As you know, Morgan, I have known your sister Corrine for many years, and she told me of the sad news. Although I did not know Gretta, I share in your loss. Life is so precious. It is truly the greatest gift. May she rest in peace.

“ Greta had an infectious giggle that left everyone with a smile on their face. Her warm personality drew people to her. That will always be my memory of Greta, her smile. Greta has started her journey into the spirit world where she will be reunited with those she has loved and those who loved her. An eternal rest surrounded by love.
