“ *Dear Janet & Family*

We are so sorry. The two of you were the inspiration to Donna and me. Without your example we would never had the confidence to move forward with our transplant. Guy's courage, his calm and quiet deameanour and his incredible intellect served him well. He had a positive influence on everyone he ever met. He was a gentleman's gentleman and I will miss him as well as our lively debates. He never gave into kidney disease and battled it every step with grace and without flinching or complaint. I will never forget our trips back and forth to London, nor the fact that he led me to The Little Beaver in Komoka. I am far better for having known Guy. He changed my life.

*Our deepest condolences,
