“ It is with a very heavy heart that I say goodbye to my beloved "day nursery baby" Guy Montgomery Williams. Guy melted my heart as a 2 year old little doll in 1980 and we remained friends for 39 years. He was a source of great pride serving his community as a firefighter and modelling courage and integrity as he battled many health problems over the last few years. Loved and forever cherished, my precious Guy...Tracy

*Guy's gentleness, kindness, humour, generosity and faith in God will forever be remembered by his family and friends. Our love and prayers go out to the whole community... Tracy & Yvon Perron*

“ One would be hard pressed to find a kinder, gentler soul than Guy. There will be many stories shared thru tears and laughter, of Guy’s life. He may no longer be here physically but his spirit remains inside each of us that were privileged to know him.

*Mothers know when their child needs comfort and I have no doubt, Guy’s loving mother, said, “It’s time son, to come to me, no more pain, just love”. So, Guy an obedient son went into the loving arms of his mother. He is with her and all his family who have passed before him. Guy, give your little mother a giant hug for us, because we miss her too.*

*This world would be so much brighter, if every family had a “Guy”. We were lucky, Guy was in our family. You have earned your eternal rest in the arms of our Heavenly Father. Till we meet again.*

“ I remember Guy as a student at WDSS, his shy smile and sense of humour. Too young to leave us. Our sympathy to his family and friends.
