“ We recently met Hans at Chatham hospice. My Moms room was next to his. Hans loved to chit chat with us. He was such a kind man. We were impressed with his magnet collection. It sounded like he was able to travel often throughout his life. Our thoughts and prayers are with you all.

*My brother, Hans Ole, was a wonderful brother. Already as kid , Hans was the best brother you could have. So good he was! My brother could make a decision and then bring it on ! Just do it ,as he always said ! Already in 1964 he decided to go to Canada – he was only 18 years old- as he went to Canada . And it was a good choice . Canada was just the right country for my brother. Hans did integrate so fast in the Canadian way of life. Never he was afraid to try a new job. He was hard – working and dutiful . That was in his first years in Canada . then later he settled down in the most lovely town of Wallaceburg . Hans found his lovely wife Sarah and they got a wonderful kid, Eric . I am proud of my brother . He really did do so well in everything. How I wish we could have had him many more years.*

*Not to forget . Hans made an awesome Great American Trip in 2013 with his two brothers , Claus and me. Never seen anybody have a Tour like that -One month round in Canada and US visiting the most awesome places. It was trip of our life ! It was a trip of a life time !. 14000 km driving from Wallaceburg, round Lake Superior . going through Alberta , British Columbia up to Prince Rupert , where Hans worked 40 years ago. Taking the B.C Ferries along the Canadian west coast. Then down along the Pacific coast , San Francisco , Los Angeles. Visiting also the most awesome places in US . I am so grateful to my brother Hans, he was so nice to be with , he was funny , he was generous . He was good -heart .*

*The end of Hans' life was not easy . He sure had deserved more happy years. But I am somehow glad that Hans told me not many days ago . "I had many good years in Canada, I had a good life". You did it so well, my dear brother.*
