“ It's been a little while since I last saw you bro. I'm grateful I got the chance to know you and Call you a brother. We grew up as neighbours across from each other. You came over to hangout with us and mom and dad or I came over to hangout with you and your mama. We've had many old memories I'll cherish with you. I may have not seen you or spoken to you recently but we have our lives to fix and get together but that sure don't mean I FORGOT ABOUT YOU bc I never did or will. I love you big brother. I'm not strong enough to attend your services but I will remember you as the person you were before you got sick and passed on. I love you and rest easy. Till we met again brother. 💖😭😭😭😭😭
