“ *♪♪ Strike up the band, assemble the choir, another soldier's coming home. Another warrior heard the call she's waited for so long. She'll battle no more for she's won the war! Be sure Heaven's table has room for at least one more. Sing a welcome song, another soldier's coming home!♪♪. Singing this song for you today, Hazel. May the God of peace, bring comfort to the entire family as you all say goodbye to your mom, grandma and friend.*
