“ My father and mother (Joe and Iris Atherton) always spoke fondly of Hank. I remember my dad saying, "give Hank a problem with a car that nobody else could solve and it would be fixed, RIGHT! I remember his soft spoken manner and a warming smile always. My thoughts are with the family.

Hank and I were really good friends years ago.. Some how we lost contact over the years. I served my apprenticeship under Hank at Dauw Motors. Hank was one of the best mechanics that I have ever known. We had a lot of fun and I have really good memories. My condolences to his family. Hank will truly be missed...
