“ Diane, Doug, Brian ... so sorry for the loss of Mother. We are keeping your families in our thoughts & prayers during this very difficult time. Please hold your precious memories of this wonderful lady close to your heart ... and always remember - she is watching over you from Heaven. As challenging as it will be ... Mom wishes her 3 children to maintain strength for each day, comfort for your tears, and proud smiles to light the way.

Precious daughter – “Nurse Diane” ... your special caregiver talents will still be required, as you now assume Mom’s maternal & onerous responsibilities of providing discipline, direction & guidance to li'l brothers - Doug & Brian. We wish you good fortune with this monumental task !

It was a privilege to know Hester, a wonderful person and loving mother. She virtually single-handedly got Brian through university! I will always remember her sense of humour which was often delivered with a twinkle in her eye. My mother Myrtle worked with Heather many times at Trinity and had great admiration for her and her dedication to the church and her family. To Diane, Brian and Doug and family, continue to cherish the memories of a great lady.
