*With love and fond memories of Jack. I can remember so many great times with your family when we were so much younger and neighbours, swimming, and painting the fence playing lacrosse in the park and going to the arena to watch a game and so much more! Also stopping at Grandpa's restaurant for fries and or soda on our way home from school who was also fun and so kind. Jack (Mr.Landon) was always so kind! ❤️
Please accept my sincere sympathies.*

“ Aunt Arlene, Michelle and Keith, we shared some great times together over the years! We had birthday parties, weddings and reunion's with lots of laughs. Favorite times were sitting around on my porch in the evenings. Well splashing in your pool in the afternoons. He loved his ice cream and chocolate bars. Uncle Jack will be missed.
