“ *My condolences to Jack's family. I think it was the first Shingwauk Reunion in 1981 that I met him. He would occasionally stop by my parent's house to visit, but the time when my parents and I were either walking into or out of Hilo Hatties in Honolulu and there was Jack directing traffic, made me realize what a small world we live in and I was fortunate enough to know 3 survivors that thrived. Rest in peace Jack.*

“ *My favorite uncle is going to be missed so dearly, my memories are the times he showed me how to fish and that day with him and my misho I caught the biggest fish that day and struggled to get that in the boat. I've changed my life to serve Jesus today and so much wanted to let my uncle know that through his caring ♡ & prayers I am a new man today. I will miss you very much and I will be with family in Heaven in God's timing as well. We are to praise Jesus's Name and give Him the glory for His open arms as Jack walks towards Him and those who's been waiting... I never had a chance to tell you I loved uncle (I love you uncle) I'll miss you and thank Jesus for your resurrection.*

*As the word say the must be death here on earth in order for a body to be resurrected through Jesus so I'm praising His love and passion for my uncles journey that is eternal... praise God-Amen!*
