“ I had the opportunity to spend some time with jahcota last September when he started school at St Clair college. The short time that we spent with him wll always be cherished! He was a very old soul and a very kind/caring young man! We have a few funny stories with him! He was a good laugh and I know that he is in a better place and not having to worry anymore! You will be missed Jahcota! Gone too too soon! My love and prayers extend greatly at this time for everyone who had the grace of this young man's presence! Your cuz ♡
