“ A very good friend of my Grandfather Clifford Sahgij , As a Child I remember stacking wood and he would bring me Candy for my pay ! As I grew that changed to Spliting wood and loading it into his trunk , he bought a giant chain saw that was so heavy I could barely lift it . He and my Granndpa would share there food ,I remember there in ground Cellars ,both were scary to enter as a 8. Yr old and they were no help telling me stories of Smakes and Spiders in there ! But that all led up to my Fearless nature ,RIP Jim
