Janice (Jan) Marie Easton of Port Lambton passed away peacefully at Eden Villa in Chatham on Friday, January 26th, 2024 at the age of 81 with her family by her side. “ Dear Laurie and Family.

We send our heartfelt sympathy to you and your family on the loss of your mom, Jan. We just found out of her passing and It is with sadness that we share our precious thoughts and feelings about your Mother. She was a most wonderful person and we had many years of sharing with them over the years. During the years that I worked with you dad, Sandy, we grew to love all of you as friends and have many great memories of those times. Your mom, Jan is now reunited with you Dad and wrapped in the arms of the Lord.

Your mom, Jan was a beautiful woman in so many ways and Laurie, nothing demonstrates this more than the wonderful daughter and person, you, that they loved and adored. You are a model daughter and that has been demonstrated in the way ;you have looked out for them over the years. Pat and I see you as special and you reflect the goodness of your Mom and Dad.

My work with your Dad, over the years, led to a close and cherished friendship with them and we have many fond memories of those years. Your mom, Jan was a beautiful person in many ;many ways and we will miss her very much. As we are in our twilight years, we have not had the opportunities to share much time with you Mom, but we will always cherish our friendship. We know that she is at peace in the arms of the lord.

We are unable to share our thoughts and hugs to you and your family, as we are away. As Pat is struggling with her cancer and on perpetual chemo, we are spending some time in a warmer place. We hope to see you soon and to be able to give you a hug, in person. We know that you have many wonderful memories to reminisce on and we pray that you and your family will be blessed by these memories, in dealing with you Mom's passing. May God bless you and your family in many special ways knowing your Mom is now reunited with your Dad in Heaven. God bless.

With all our love,

Earl and Pat Lozon

“ *I grew up in the 1940's on Gray Street in Chatham, right across the street from the McKim family. I was five years old, and so was Janice, and her brother Michael was a few years older, and we, and the other kids that lived in the neighborhood at the time all played together. I knew their parents, Bruce and Mary, and they were always nice to me. Bruce worked at Western Freight Lines as the office manager and I believe they had one of the first refrigerators in their home and when they bought it, Janice couldn't wait to show it to me. You plugged it in, it ran on electricity, and it made ice cubes. Up to this time we all had ice-boxes in our homes and the ice-man would come around every so many days to bring us a new block of ice, and we would all get pieces of ice to suck on like popsicles. I have good memories there. The McKim's were very good people. It is only by accident that I saw Janice had passed away. My condolences to the family.*

“ *I'm sorry I cannot be there personally. You are most correct when you say, Jan was a great support to your father. Of course, I was very close to Sandy, and he often spoke of Jan. Their little piece of paradise that they shared for many years brought them great joy and I'm glad of that. I am very sorry for your loss.*

“ I’m so sorry to hear this sad news. I went to St Ursula’s with Janice and we lived on Mercer St - she was on Eugenie. We took tap dancing together and my mom made her costumes along with mine. We spent a lot of time doing best friend things as teens. Im sorry we lost touch in later years but always considered her one of my best friends- my prayers are with you all - Carol (Hinnegan) Kelly

“ So sorry to hear of Jan's death. Jan and I go back a long way. In the fifties we opened St. Ursula's school. We lived in the same neighborhood. Sandy was an usher at our wedding. I also saw him when I was teaching.

“ Joe and Laurie, we were truly sorry to hear of your Mom having passed. We have always thought of all the Eastons as family even though visits were few recently. Often we think of your Mom and Dad returning to Chatham to live at about the same time as us and buying a home just a block apart. You will be in our thoughts during her service but due to "Uncle" Bev and his poor health we will be unable to attend. Take care , Hugs, Diane

I have very fond memories of Aunt Jan's hospitality - at the cottage in Erieau, at the pool on Oxley Drive and the house on the Snye. She always made us feel welcome and at ease! I remember having many dinners and family get togethers. She loved my dear dog Jackson and he had a great time staying with her and Uncle Sandy when I travelled- she spoiled him! :) She loved animals - even my new crazy puppy Tucker. I am glad she is at peace and that she was in Chatham near Laurie and Joe and the grandkids when she passed. Hugs and lots of Love, Susan
