“ *Sad news indeed. I'd lost touch with Jane after an accident several years ago. We were second cousins who first met when we studied at U of T in the 60s. Jane was serious about her studies, her plans for life, and her work. With Don she enjoyed a happy retirement. She loved dogs and it's nice to see her with one in the photo. I hope it has found another good home. It will miss her. I will miss the possibility of seeing her again, our exchange of Christmas greetings, and our occasional telephone conversations.*

A life well lived. Rest in peace, dear Jane.
