“ *Jan and Stan very always very welcoming to myself and Modi. They opened their house and family to us . Jan was always very friendly and hospitable to us. In fact they were a big part of the reason we stayed in Wallaceburg for 3 years. Jan was such a happy person and had such a warm laugh and great sense of humour. I will always remember the dinner parties and trips to the River Crab. She loved life and her family , and will be very fondly remembered .*

Stan, I am so glad you called, and we had a chance to talk a bit about Jan's passing. I've known you for a long time; we were given a gift when we met Janet, and we all had some wonderful, remarkable times together. It would be difficult to list them all - Chile, Paris, Buenos Aires, "The Bruce," your home and right here in northern Michigan - just to name a few. We have many memories and pictures to cherish. Please know that Larry and I send our deepest condolences to you, your family, and your friends. We will continue to keep in touch.
