“ Into Each Life

*Into each life a little rain will fall,
but if you have a friend,
you can bear it all,
for a friend is an umbrella,
to hold above your head,
and help you think about,
the sunny days instead.*

*Into each life a little sun will shine,
but if you have a friend,
it will always be fine,
for if you can share the sunny times,
with a friend that will be grand,
as you talk and walk together,
securely hand in hand.*

*Into each life a little wind will blow,
but if you have a friend,
to whom you can go,
your friend can help to guide you,
can help you make the choice,
by offering their view,
and adding a new voice.*

*Into each life like leaves
things will fall,
but if you have a friend,
you know that you can call,
they'll always steer you clearly,
when their counsel's sought,
for a friend is like a safety net,
in which you will be caught.*

Into each life a friend will come to you,

*for if you have a friend,
you'll know what to do,
when a problem shows itself,
for a friend is there to share,
to offer an opinion,
and show that someone cares.*

*Into my life my friend came as you,
for I know I have a friend,
to share experiences old or new,
in the rain, sun, wind or fall,
who is loving, loyal and most true,
that sees my best qualities,
and knows I am their friend too.*
