“ I had the pleasure of teaching Javier in Grade 3. He was a special young boy who loved everyone around him. He was compassionate, friendly, faith-filled, and empathetic to his friends which everyone loved about him. It is not often that you meet a young boy with so much love for the Lord and his friends. It is safe to say that there is now another angel looking over all of us. My deepest condolences to the family.

“ I was Javier's grade 4 teacher. He was the most faith-filled child I have ever known. He was patient, kind and promoted goodness with his words and gestures on a daily basis. A truly talented artist, athlete and an amazing friend. I am heartbroken that he is gone but know for certain he is with God. My deepest condolences to his family - You are in my daily prayers now and always. RIP beautiful Javier.
