

## Dr. Jay Richardson

November 7, 2012

Stanley Jay Richardson, MD, of Collingwood and formerly of Wallaceburg, passed away peacefully on Wednesday, November 7, 2012 in his 86th year. Beloved husband of Evelyn (Shaw) with whom he shared a loving and joyful marriage of more than 66 years. Loving father of Bryan (Susan), Kevyn (Jayne), Tamara (Ric Asselstine), and Tobin (Lisa). Proud grandfather of James (Emily), Paula, Kasey, Kyle, Tyler, Lauren and Karlyn and recent great-grandfather of Naomi. Pre-deceased by his son Cameron (1977), parents Stanley A. Richardson, MD & Marie (Piper) Richardson, sister Myrtle Cameron and brothers Verne & Laird Richardson. Born and raised in Wallaceburg, he returned to the town following the pursuit of his medical degree to serve the community as their “Dr. Jay” for over 35 years. His patients will always remember him for his unfailing dedication, compassion and generosity. He enjoyed his family – and those memorable family trips, telling stories, winters in Florida, curling, golf and, unfortunately, the Detroit Lions. Special thanks go to Dr. Scott Houston and the staff at Collingwood G&M Hospital. Friends will be received at the HAYCOCK-CAVANAGH FUNERAL HOME, 409 Nelson Street in Wallaceburg on Friday, November 16 from 2-4 and 7-9 pm. The Funeral Service will be held at the funeral home on Saturday, November 17, at 11:00 a.m. In lieu of flowers, donations to the Sydenham District Hospital Auxiliary or the Heart & Stroke Foundation may be left at the funeral home 519.627.3231. Online tributes may be left at [www.CavanaghFuneralHome.ca](http://www.CavanaghFuneralHome.ca)

“ I met Dr Richardson a couple of times outside of him being a doctor and was very nice and pleasant. However I can't say I really knew him, he was my Mom's doctor for myself and my 2 older siblings births. My Mom praised him and could not say enough about him with his care he showed. My Mom's 1st pregnancy ended in a still birth and it devastated her. She blamed it on a Doctor in Chatham and then would only travel to Wallaceburg to Dr "Jay". I am grateful for his love and care to so many. I know however by personal experience that he passed it onto his Son as he was our doctor for the birth of our daughter in London a number of years ago and the care and compassion lives on.

Our heartfelt thanks and prayers goes out the family, even thou it's 12 year on, as I just came across the obituary today.

“ I would like to send my sincere condolences to the Family of Dr. Jay Richardson. I have just been told of his passing. He touched so many lives. He saved my life & my baby 32 years ago at the Wallaceburg Hospital. If it wasn't for him neither Jerry (my son) or myself would be here today. Dr. Jay was a remarkable wonderful man and he will be remembered with gratitude and love by myself, my Husband and my Son till we meet again. May God Bless You All in your sorrow.

*To the Richardson family. Your husband, father & grandfather is deeply missed by this town. He was one of the best. He was my Dr. for 35 years. He delivered my children & some of my grandchildren. He treated his patients with utmost respect, compassion, caring & was never in a hurry to leave you. As a patient you were made to feel as you were the only one he had. He was always there for you. He helped through difficult times especially when my Mom was in Texas & we had to get her home because of cancer & he worked with us to get her back the best way possible. I thank you all for sharing this wonderful man with the world He will always be # 1 in my books. God Bless.

*“ Dear Richardson family: Your husband/father was a most caring man and was a good listener with his patients. He was always there when needed and you never heard a complaint at all. Back when he delivered our children in the 80's, W'burg was so much more progressive than Chatham with the delivery system and also the aftercare and Dr. Jay was a major part of that. You are in our thoughts and prayers at this time.

I will miss our Collingwood conversations; he told such interesting stories stemming from an amazing life. I'm very sad that I cannot be there to say goodbye but he will undoubtedly be in my thoughts. “ We are sad to hear of Dr. Jay's passing. If we had known he lived in Collingwood, would have contacted him previously. He delivered all four of our children when my husband was the Anglican priest in Pt. Lambton and in Thamesville. His father was our family doctor in Thamesville and we have very fond memories of him as well. Dr. Jay was kind, caring, and you felt safe even during the trauma of childbirth. I had the pleasure of meeting son Brian as I was a secretary to Dr. Mackanjee in the NICU at St. Joes in London. We will hold you all in our thoughts and prayers. The Rev. “ *Dear Richardsons:*

*So very sorry to hear about the passing of your husband and father. Not only did I work for him @ Wellington Clinic but he also delivered all 4 of our children, even though we moved south of Chatham, it was worth the drive. I have the utmost respect for Dr. Jay. He was wonderful to work for and he was an amazing Doctor. I believe everyone of our children were born in the middle of the night and he was there for everyone, even on one occasion when he was out socially and cut it short to come in. I felt so bad, but he was so dedicated. Only wish I'd had the opportunity to talk to him again in these last 20 years. We even gave our youngest son the middle name Jay in honor of his dedication. I am currently in Canmore, Alberta, visiting our first grandchild and do not return til late Nov 18th, so will be unable to attend visitation but please know that our thoughts are with you all and may your husband and father rest in peace!*
