“ Aunt Jeane, you were there to help raise us when mom & dad were working (you taught me how to make my own kraft dinner, and always encouraged my drawing and reading). You were there to take care of Aunt Mary, then to take care of Grandma, then to take care of Grandpa. You put others first and never asked for anything in return. Thank you for all the memories and love you gave us. You will be missed, but you will always have a special place in my heart.  
Love, your nephew  
Shawn

“ Jeanne my heart aches and words are hard to find . The shock at losing you so soon has yet to fully be grasped. You were an amazing and awesome sister .i just cant accept that your gone. Your smile and laugh already missed. I wish everyone knew how much you were loved by us all. We will be forever grateful and thankful for your care of mom and dad and for always being there when we could not be. I know it wasnt easy but you never complained or gave up you were just always there. How is it possible to say goodbye when goodbyes should of been years away. I will think of you everyday and remember your last words to me "love ya". You have earned your eternal rest along side Mom and Dad. You will always be Jean the Bean .....

*Forever in my heart*

*Oh my..I am trying to write this but the tears have a steady flow...never in my wildest dreams when we said goodnight I would have to say goodbye the very next day..when I found you I thought my life had ended you were such an amazing sister and an amazing companion for the 2 years you lived with Larry and I... I cannot grasp the fact that you are not here with me...its so hard to get up in the morning knowing you are not on the couch waiting for me...my heart is broken in 2..I know you have earned your angel wings but not so soon...you rest in peace my beautiful sister...I love you too the moon and back...georgie porgie..*

*Oh wow where should I start writing this is not easy When Willy called the house to say you were gone it was like a bad dream but awake .You were one of a kind your laughter your smile I see every time I close my eyes . I try to sleep but memories flash before me .the time you came racing around the corner on your bike to get home you hit the pole and broke your collar bone and all you thought about was getting into trouble for being late.you had the voice of an angel I always liked to listen to you play your guitar.i cannot grasp the fact that you are gone.i am so proud to call you my sister you gave us so much love and joy.. You have earned your wings and may God hold you in his arms as he has called one of his precious child home .Please give mom and dad a big hug and kiss for me .I will not say goodbye but I will say till we meet again.Rest in Peace and in your own words "Love Ya"*
