“ Dear Kay, Barb, and family,
So many times in the past few years I have thought about your mom and what a great friend she was for my mother to have in her declining years. I think she was the very best friend Mother ever had in her whole life! How blessed were we, Marion's family, that she and Jennie met when Mom moved to Wallaceburg and how sad she was when they eventually had to be parted. I have a wonderful picture of the two of them taken in the family room of my home in Wallaceburg which I will always treasure.
I was hoping that I might be able to represent the Fawkes Family at the service on March 10th, but i fear that will not be possible due to other commitments. Instead, I can only tell you that you are in the thoughts and prayers of myself and my sisters at this sad time. Although, I rather expect that Jennie and Marion have already found a cozy spot in heaven to sit and talk - together again forever.
Sincerely, with love,
Elizabeth, Peg, Kate and Nora
