“ *I am doing 100mph in the ER training as a physician to be. But this will give me a strong pause when I am reminded of her passing. That is very difficult to do with me. I mourn with you. Oh death where is thy sting, oh grave where is thy victory. It stings inside. All my memories of her are of a smile in my mind. We will just dwell around and in the House of Mourning for awhile, as needed.*

“ I have very fond memories of Jen. Since our kids went to school together, we often chatted on the school bus trips that we chaperoned.

Jen and I also organized and planned our sons Grade 8 graduation celebration at the Wilkesport Hall. Fun times!

There were many times I would run into her in the evenings when she was out walking her dog. We would always stop and chat for a few minutes before continuing on our walk.

Jen was a great person. She was proud of her family, she was friendly and kind and always willing to lend a helping hand. She will be missed by so many people, including me.

She put up a good fight and was a true warrior. Rest easy my friend

I got to know Jennifer at the Sydenham Community Curling Club. First as a fellow board member and then as a co Chair of the Adult Learn to Curl Program. She always thanked me for making the program a huge success. It was her vision that made it what it became. Plus my fear of not living up to her lofty gals.  
What a sweet heart of a woman she was. But let me tell you she was relentless out on the curling rink wanting to kick your ass on the score board.  
Her dedication to everything she was involved with, kiddos, family, groups, worthy causes and much more was truly admirable. Because of this dedication the 2023 Adult Curling Program will be dedicated in her memory. You truly lived life well.

“Owen, my sincerest condolences to you and your family

*I had the honour of meeting and supporting Jennifer for a short time and feel blessed to have done so. It was evident within moments that Jennifer was a beautiful both inside and out.*

*Jennifer had a way about her that made me smile. The love for her family and fur babies was an integral part of Jennifer, I could see it in the twinkle of her eye, the smile on her face and the love that flowed from within.*

*Jennifer's love and spirit will live on in those whose lives she touched. Though my time supporting Jen was brief her impact on me was large.*
