I have many great memories of Jerry from past years, in particular our working together at the Capitol movie theater in Wallaceburg as ushers! “

I have known Jerry for many years even when he was a young man on his beautiful Harley Davidson Motorcycle . I still can visualize him sitting on that bike, even today.

So many nice written tributes about Jerry and so true and well deserved.

We used to have alarms go off at the factory and call Jerry in the wee hours.

Up , Jerry would get and always attend in his thankful friendly old self.

It was much appreciated by all of us.

Jerry always had a friendly smile and way about himself which I will never forget.

My sincere condolences to Jerry's entire family.

Our thoughts and prayers are with you at this very difficult time...
